PROFILE

English teacher with over two years of classroom and online teaching experience across beginner to upper-intermediate levels, using the American English File and Speak Now curricula. Skilled at lesson planning, student progress tracking and daily class supervision. Holds an ICDL certification and is now studying front-end web development (HTML, CSS, JavaScript, Bootstrap, Git and GitHub), which supports teaching practical computer skills. Seeking a position teaching English and basic computer skills to children and adult learners.

TEACHING EXPERIENCE

English Teacher — Nobel Academy 2 years (ended 2026)

- Taught English using the American English File series (Starter, AEF1, AEF2, AEF3) to students at multiple levels.
- Planned and delivered daily lessons, tracked student progress and carried out daily class supervision duties.

Online English Teacher 7 months

- Delivered live online English classes using the Speak Now curriculum.
- Supported learners remotely with structured lessons and consistent progress tracking.

Online English Teacher 4 months

- Taught English online using the American English File series (Let's Go, Starter, AEF1, AEF2).
- Adapted lessons for different age groups and proficiency levels in a virtual classroom.

COMPUTER & TECHNICAL SKILLS

- Computer literacy: ICDL certified (2024).
- Front-end development: HTML, CSS, JavaScript, Bootstrap; version control with Git and GitHub.
- Built responsive websites and a personal portfolio published on GitHub Pages.

PROJECTS

- **Personal Portfolio** — front-end portfolio site with six projects: live site.
- **MELOVIA** (team project) — music platform website; I built the Events section with a live countdown timer and a day/night mode toggle.
- **CALC-01 Calculator, Chronos Alarm Clock, Stone-Paper-Scissors** — JavaScript projects published on GitHub Pages (links in portfolio).
- **BookNest, Eloria Skin, Blue Future** — responsive websites built with HTML, CSS and Bootstrap.

EDUCATION & CERTIFICATION

- **Gohar Shad Bigom High School** — Graduated 2021.
- **Nanonet Educational Institute** — Speak Now English program, one year, completed June 2024 (Grade B).
- **Toefl Academy** — ICDL Certification, 2024.
- **Humanitarian Leadership Academy** — Being Accountable to Affected People (online course), May 2026.
- **RiSE International Social Empowerment** — MEAL: Monitoring, Evaluation, Accountability and Learning (4-hour online training), May 2026.
